First Annual 'Open Meeting' Notice

Agriculture is faced with many issues each day. Some good, some bad. How do these issues affect your operation here in Monmouth County? Or do you even know?

You are invited to the Monmouth County Board of Agriculture's first annual 'Open Meeting', to sit in and learn about those issues, and how a collective voice of Monmouth County Ag. families, and other state agencies can help you deal with the issues that may be affecting your operation.

The County Board meets once a month to discuss what is currently happening in Agriculture, not only here in Monmouth County, but also on State and National levels. Hear reports from representatives from The NJ Dept. of Agriculture, NJ Farm Bureau, Rutgers Cooperative Extension, the NJ State Board of Agriculture, and the US Dept. of Agriculture. Valuable information can be obtained regarding new and proposed regulations, techniques on raising crops and animals, and just good conversation with other farm families who are willing to help.

So, come out to the County Agricultural Building, (4000 Kosloski Rd., Freehold) on Tuesday, November 22, 2011 to sit in on the Monmouth County Board of Agriculture's November monthly Meeting, and to join in on the Board's 'Plaque Dedication', honoring Theodore 'Ted' Narozanick, retired Monmouth County Freeholder, for all his hard work helping Agriculture in this great County of Monmouth, during his tenure. The dedication ceremony will begin promptly at 7:00 PM, in the Agricultural Building's front entrance foyer, with the November 'Open Meeting' immediately to follow. Light refreshments will be served.

Those who wish to attend, please RSVP no later than Monday, November 21 by calling 732-778-0847. If no answer, please leave a message stating your name how many will be attending.

We hope to see you there!

Executive Members, Monmouth County Board of Agriculture
