Dear Fifth Grade Teacher:

The Monmouth County Historical Commission is pleased to announce its 29th ANNUAL ESSAY CONTEST. Enclosed is a list of rules and guidelines for the contest. If you have any questions or would like clarification, contact John Fabiano by email at John.Fabiano@co.monmouth.nj.us.

While the County has long encouraged the visitation of a historic site as an essay topic, we include the option to write about a family member's history because we believe making history personal helps increase interest.

The excitement of winning brings joy to the families, teachers, and of course the students. However, as one teacher pointed out, "we enter for the satisfaction of participating rather than to win prizes." We hope more students will have the opportunity to share the satisfaction of participating and for some, the joy of winning. The Commission will present a certificate and bookstore gift cards to the top three essay winners.

The Commission thanks you in advance for your cooperation in making this Essay Contest a part of your curriculum and we look forward to reading your students' essays.

Sincerely,
Glenn Cashion
Chairperson, Education Committee
