Dear Resident,

We are aware of the odor coming from the Reclamation Center and are actively working to remediate the cause.

The recent nor'easter and subsequent rainfall brought more than 7 inches of rain to the area, resulting in stormwater that did not drain properly. Waste Management and the County are working together to enhance stormwater controls at the Reclamation Center and address the conditions contributing to the odor.

I am committed to keeping residents informed and will continue to work toward greater transparency and sharing updates as I receive them.

As always, if you have any questions or concerns, please do not hesitate to contact me directly.

Sincerely,

A handwritten signature in black ink that reads "Thomas A. Arnone". The signature is written in a cursive style with a large, stylized 'T' and 'A'.

Thomas A. Arnone
