To: All Customers of the Monmouth County Reclamation Center

Re: Web Account Access

As you know, The Monmouth County Reclamation Center has been implementing a new software program over the last year. The final module to this program, **Customer Web Access**, is now complete. This means you can access your M.C.R.C account at anytime via the Web. Your company can get several types of reports, as well as the current account balance at the time of that report.

For information to gain Web access to your account, please call the Scales Office at 732-683-8686 ext 5600/5601 or send an e-mail to mcrcpayments@Co.Monmouth.NJ.US stating your interest in web access and providing contact information for the web user. It should only take a few minutes to set up the login profile and test. After your Company's login is established, you can access your account by visiting the web page at <http://mcrc.visitmonmouth.com> or you can visit our home page at <http://www.visitmonmouth.com/Reclamation> and click on the link for **Customer Log In**.

Thank you for your interest and continued support during the past year with the transition and implementation of our new Software Program.

Sincerely

Management of the MCRC
